Once approved, anyone that is awarded a scholarship must register and make their first payment within two weeks of receiving an acceptance letter in order to secure their scholarship funding. Registration for residents and non-residents begins on Jan 2.
I understand that my child may not miss more than one day per week.
I understand that a physician's note or legal documentation is required for any absences that exceed the one day per week.
I understand that I will be responsible for full price of the camp week for any weeks that my child does not meet the attendance requirements.
I understand that my child must be in camp each day from 9a-4p.
I understand that if the scholarship requirements are not met, my child will not be eligible for a scholarship in future camp years.
